

BIOMATH2025

International Conference on Mathematical Methods and Models in Biosciences
and School for Young Scientists

Sofia, Bulgaria, 15-20.06.2025

Campus of the Bulgarian Academy of Sciences

Institute of Mechanics

Institute of Mathematics and Informatics

Biomath Forum

www.biomath.bg/2025/

Keynote Speakers

Joel Brown (Moffitt Cancer Center, USA)

Helen Byrne (University of Oxford, UK)

Yangjin Kim (Kongkuk University, South Korea)

Tommaso Lorenzi (Politecnico di Torino, Italy)

Mette Olufsen (North Carolina State University, USA)

Clair Poignard (INRIA, Université de Rennes, France)

Bob Rink (Vrije Universiteit Amsterdam, Netherlands)

Special Topic Session

Mathematical Models of the Immune System in Human Disease

Supported by

ФОНД
НАУЧНИ
ИЗСЛЕДВАНИЯ

Society for
Mathematical
Biology

ESMTB

European Society for Mathematical
and Theoretical Biology
